

# National Coal Production & Performance Report

## EXECUTIVE OVERVIEW & PRODUCTION HIGHLIGHTS

| Total Coal Production | Target Production | Achievement %      | Validation Quality |
|-----------------------|-------------------|--------------------|--------------------|
| 1,054.82 MT           | 0.00 MT           | 0.0%               | 72.5/100           |
| Docs: 10              | Variance: 0.00 MT | Valid: 2   Warn: 2 | Rating: Average    |

## SUBSIDIARY PERFORMANCE LEADERBOARD

| RANK | SUBSIDIARY         | DOCUMENTS | TOTAL PROD (MT) | AVG / RECORD (MT) | NATIONAL SHARE % |
|------|--------------------|-----------|-----------------|-------------------|------------------|
| #1   | SCCL               | 4         | 1,047.52        | 261.88            | 99.3%            |
| #2   | Other / Unassigned | 3         | 4.20            | 1.40              | 0.4%             |
| #3   | CIL                | 3         | 3.10            | 1.03              | 0.3%             |

## MINE PERFORMANCE & EXTRACTION REGISTER

| MINE NAME | SUBSIDIARY | DISTRICT / STATE    | TYPE     | PRODUCTION (MT) | STATUS |
|-----------|------------|---------------------|----------|-----------------|--------|
| Gevra     | SECL       | Korba, Chhattisgarh | Opencast | 0.00            | Passed |

## DOCUMENT PROVENANCE & TRACEABILITY

|                  |                                                                                                                                                        |                       |                                  |
|------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|----------------------------------|
